Apple Online Store – Black, Blue and Red

## Product Description

The Logitech CREATE Protective Case with Any-angle Stand adjusts to whatever adventure comes your way. This flexible stand features a smooth-gliding hinge that firmly holds your iPad Pro in any viewing angle within a 60-degree range. Additionally, the Logitech CREATE Protective Case covers the front and back of your iPad Pro with tightly-woven premium fabrics. And custom-sculpted curves help protect your iPad Pro when the case is closed. The Logitech CREATE Protective Case is available in a variety of colors including black, red or blue.

## Key Features

- Any-angle stand with stay-in-place hinge: The case's flexible stand has a patent-pending hidden hinge that provides the perfect viewing angle within a 60-degree range. The powerful smooth-glide hinge firmly holds your iPad Pro in the chosen angle, until you decide to change it.
- Thin and light protective case: When surprises come your way, the case's durable and water-repellant materials have you covered. The Logitech CREATE protects the front and back of your iPad from accidental bumps, scratches and spills while keeping ports accessible and without adding unnecessary bulk or weight.
- Auto-wake, auto-sleep: Your iPad Pro is always ready. The case wakes your iPad when you open the cover and puts it to sleep when you close the cover.

## System Requirements

- iPad Pro

## Product Specifications

- Dimensions (L x W x H): 315 mm x 228 mm x 14.8 mm
- Weight: 521g

## Warranty

- 1-year limited hardware warranty
